Driving Skill Training Course

HTSCC for Familiarization and Safety Driver Training for Hino Trucks & Buses

S- JUNCTION

To train drivers to balance the steering (turn left and right) in using the S- junction.

TURN BACK COURSE

To train drivers to enter and exit a junction in a smooth transition.

CRANK COURSE

To train drivers to make tight turns to avoid contact with the curb.

GARAGE PARKING

To train drivers to park in a 'narrow' parking space.

UPHILL/DOWNHILL

Designed not only to train drivers to practice their uphill start but also to enhance their multi-speed gear box shifting skills. Knowledge on how to use the exhaust brake will be imparted to drivers also in this course.

PARALLEL PARKING

To train drivers to park correctly between other vehicles.

EMERGENCY BRAKE TRAINING ON WET ROAD

To practice driving in actual wet roads with water sprinkles.
